Connecting You with the People of East Timor

Australia

How can you connect with and support the people of Baguia, East Timor?

The **Friends of Baguia** is a community group based in the City of Stonnington who have formed a friendship with the people of Baguia to increase cultural understanding and for mutual support. Baguia is a sub-district comprising small villages in a remote mountainous area of East Timor. Any financial support that you can give will make a big difference to the lives of the people.

Your donation today will help fund the building of a water tank at Gulari Primary School.

Gulari village is situated high in the mountains of Baguia Sub-district, far from any roads or permanent water source. Your assistance is greatly appreciated!

The project is currently being supported by the Glen Waverley Uniting Church.
